The APO Secretariat makes the final deliberations on the applications. ## 5. AVAILMENT OF GRADUATE SCHOOL OF PUBLIC AND DEVELOPMENT MANAGEMENT ACADEMIC PROGRAMS

The Graduate School of Public and Development Management (GSPDM) is the academic arm of the DAP that offers short courses and graduate degree programs in the fields of public management and productivity and quality management for the public and private sectors. Programs are offered in a ladderized mode and can be customized to suit the needs of an agency.

Since 2013, GSPDM has been offering master's degree programs with a 'ladderized' curriculum structure in which the students obtain the Certificate, Diploma and Degree after completing a set of courses.

Under the ladderized mode, the GSPDM awards academic credit units to students who successfully completed a short course, whether it is a public offering or implemented in partnership with other institutions. The said short courses can be accredited to GSPDM's master's degree programs.

GSPDM's academic programs are categorized as follows:

- A. Regular Academic Programs
  - 1. Master's Degree
  - 2. Executive Course
  - 3. Certificate Course
  
- B. Customized Academic Programs
  - 1. Master's Degree
  - 2. Executive Course
  - 3. Certificate Course

The regular academic programs are open to the public for enrolment while the customized academic programs are tailored-fit to the needs of the client and may be jointly conducted by GSPDM and the client.
