**Footnotes:**

- a/ The approved PS level of the DAP considers the DAP's adoption of the Compensation and Position Classification System (CPCS) per Governance Commission for Government-Owned or Controlled Corporations (GCG) approval dated August 16, 2023. The said CPCS approval expressly authorizes the DAP to implement Category 2 Salary Structure for its authorized positions based on their CPCS Job Grade equivalent, pursuant to Executive Order No. 150 dated October 1, 2021. The utilization thereof shall be subject to the implementing rules and regulations of EO No. 150 and the corresponding CPCS circulars issued by the GCG for each PS item.
- b/ The approved MOOE level is computed considering the DAP's absorptive capacity for the three (3) immediately preceding years, wherein the highest Budget Utilization Rate (BUR) is applied to MOOE items, except those covered by contracts, which are recommended as proposed. Meanwhile, the variance of P63,406,000.00 pertains to the effect of the preceding year's BUR.
- c/ The approved CO level considers the implementation-readiness of the projects and activities under the respective CO items which are expected to be completed within the year as certified by the DAP. The approved CO likewise includes an amount of P10,300,000.00 for the acquisition of five (5) units of motor vehicles and the corresponding Authority to Purchase Motor Vehicles shall be issued separately subject to the DAP's submission of supporting documents prescribed under Section 12.3 of Budget Circular No. 2022-01 dated February 11, 2022.

**Notwithstanding the aforementioned variance in MOOE, the DAP still has the flexibility to modify its utilization within the total DBM-approved budget level.**

Further, the following conditions shall be observed and complied with:

- All expenditures, whether for current operating expenditures or for COs, shall be made within the limits of available funds realized from corporate receipts, authorized corporate borrowings and NG budgetary support either in the form of subsidy, equity or loans outlay.
- Any increase in the approved principal COB in the course of the budget year, as may be warranted by additional corporate receipts, shall require the submission of a supplemental COB to cover the additional expenditures.
- This approval shall not be construed as an authorization for specific expenditure items under PS which requires prior approval by the OP. **Disbursements for PS shall strictly observe pertinent compensation laws, rules and regulations**, including EO Nos. 7 and 24 dated September 8, 2010 and February 10, 2011, respectively and EO No. 150 for Government-Owned or-Controlled Corporations (GOCCs) covered by RA No. 10149. Such expenditures shall also be subject to relevant conditions under the GPs of the annual General Appropriations Act (GAA) or any specific law or approval of the President of the Philippines and/or Secretary of Budget and Management or the Governance Commission for GOCCs, as the case may be.
- Disbursements for Extraordinary and Miscellaneous Expenses shall be subject to the provisions of CPCS Circular No. 2021-013 while the other MOOE expenditures shall be subject to the relevant provisions of the annual GAA, among others.
